### TO WHOM IT MAY CONCERN

Giovanni Tirimacco of SMT Net Computing has maintained our computer network since August 2006. We can give no higher praise than to refer our friends and business associates to SMT Net Computing, which we have gladly done.

Giovanni has been proactive, readily available, reliable and has maintained and upgraded our network to an excellent standard.

We can honestly say he has surpassed our expectations.

**Goldings CA Pty Ltd**  
**Chartered Accountants**

A handwritten signature in blue ink, appearing to read 'Brett P Golding'.
