Re: SMTnet Computing

It is a pleasure to provide this letter of support to Giovanni of SMTnet Computing in relation to his computer support for our firm.

Giovanni has been with us since August 2006.

He has impressed us with his character, competence and availability.

Giovanni is personable and delivers what he promises. We have observed a genuine tendency to save the firm money, whilst at the same time advising on the best outcomes and safest practices.

Our experience with SMTnet Computing has been truly refreshing.

In my view, Giovanni deserves every success.

Kind regards,

Yours sincerely

Mark Mudri
